2017 Photographic Calendar Competition

The Hidden Gems of the Vale

Evesham and the Vale is home to many unusual and striking buildings. We want to feature these buildings in our 2018 calendar.

Pick one of our town or villages familiar buildings and picture it from an unusual angle. You could offer an unusual slant on one of the area's many events or frame a striking building or object that is rarely noticed, it's up to you!

Your entries will be shortlisted by our panel of judges and then put to the public vote. The 13 most popular photos will appear in our calendar, with the most popular gracing the front cover!

There is no age limit to entrants. Each winner will receive a copy of the calendar and a free annual family pass to the Almonry (including any event days)
